

Welcome to The Lodges At Table Rock Lake! We are so pleased to have you as our guests!

Reservation and Payment Information:

To make a reservation at the Lodges please email us at info@lodgesattablerocklake.com or send us a request through www.LodgesAtTableRockLake.com.

We will send you a simple rental agreement for you to review and complete.

In order to secure your reservation, we will require a non-refundable deposit. The deposit is equal to one-night stay in the Lodge that you reserve. This deposit will be applied toward your balance once your reserved stay has been paid in full. We accept all major credit cards and personal checks if payment is 30 days prior to your reservation.

We require that the full balance of the reserved stay is paid 30 days prior to your stay. After the final balance has been paid, it is non-refundable. We highly recommend vacation insurance if you feel you may have to cancel, this includes for reasons of inclement weather.

Check in instructions:

Our Four-Bedroom and Five-Bedroom Lodges are equipped with Digital Locks for your convenience. One-week prior to your stay, you will receive an email from ResortLocks.com with a Digital Lock Code for you to use during your stay. We recommend that you print out your lock code information and bring it with you. You

will have the ability to change the code to one that is easier for you and your party to remember during your visit.

Check-in is at 4pm the day of your reservation. Because each Lodge is meticulously cleaned by our wonderful Housekeeping Staff, we cannot accommodate requests for early check-in.

If you have reserved one of our lodges through the rental program, we will send you check-in instructions for picking up your keys.

Your Lodge will be cleaned prior to your stay. If you wish, you may pay an additional fee for mid-stay Housekeeping Services. We have all the comforts of home- just bring your clothes and food! Provided: Linens, Kitchen Utensils, Cooking Basics: Pots, Pans, etc, Shampoo, Soaps, Coffee Filters, Paper Products.

Check Out Instructions:

Check-out is simple, remember to gather up all of your personal items and leave the cleaning to us! We ask that you help us in our effort to conserve energy and return the thermostat to a reasonable level (75* in the Summer Months and 65* in the Winter Months).

Check out is 10am. Your digital lock will expire at check-out time, so please be aware when you're loading up your belongings.

Enjoy your stay!

We hope that you enjoy your stay at the Lodges. Our biggest complement is receiving a referral from you!

If you have any additional questions, please check out our website:
